

PERSPECTIVES ON CONTEMPORARY LEGEND

**International Society for Contemporary Legend Research
Twenty-eighth International Conference
Amsterdam, The Netherlands
June 28 – July 1, 2010**

The International Society for Contemporary Legend Research is pleased to announce that the 2010 Perspectives on Contemporary Legend Twenty-eighth International Conference is to be held at the Meertens Instituut in Amsterdam, the Netherlands.

Proposals for papers on all aspects of 'contemporary', 'urban', or 'modern' legend research are sought, as are those on any legend or legend-like tradition that circulate actively at present or have circulated at an earlier historical period. Previous discussions have ranged in focus from the ancient to the modern (including Internet-lore) and have covered diverse cultures worldwide (including our own academic world).

The 2010 meeting will be organized as a series of seminars at which the majority of those who attend will present papers and/or contribute to discussion sessions. Concurrent sessions will be avoided so that all participants can hear all the papers. Proposals for special panels of papers, discussion sessions and other related events are encouraged.

To participate in the conference, please fax us your registration form, and mail us your title and abstract (250-300 words) by **February 1st 2010**. Fax and e-mail addresses of the organizers can be found below.

Registration fee will be

- for ISCLR members
60 euros or
90 US dollars
- for non-ISCLR members
90 euros or
135 US dollars
